Other: CancerLINC connects local cancer patients with volunteer financial professionals
and attorneys to prevent and resolve the financial and legal issues they are
experiencing as a result of their cancer diagnoses. These services are provided
pro bono to patients living below the Federal poverty level. Most patients could
not afford these professional services without CancerLINC. In FY20 prior to
the pandemic, CancerLINC was experiencing rapid growth in services provided compared
to the previous year. Through the first nine months of the fiscal year, CancerLINC
served 40% more patients and helped them with 43% more issues than during the
same period of FY19. However, April 2020 through the end of the fiscal year saw
patient referrals plummet due to disruptions in normal patient care processes
where in-person clinic visits with patients were restricted due to virus precautions.
CancerLINC processes were also impacted through remote work and creatively finding
ways to provide services for patients when in-person contact was not possible

or highly limited. The fiscal year ended in June with 14.5% more patients served (459) compared with the previous year (401). Financially, CancerLINC was on track to recover from losses in the two previous years. With the onset of the pandemic, two primary spring fundraising events were postponed. Lack of anticipated revenue from these events impacted end of year financials leading to a third year of loss, but more moderate (-\$11,915) than in the previous two years. Due to strong end of year individual giving, generous foundation gifts, and a Cares Act PPP loan of \$46,700, CancerLINC was able to retain all staff members throughout the last quarter without layoffs or furloughs, ensuring the full complement of staffing and services would be available as patient requests return to normal levels. CancerLINC continues to shift its fundraising priorities to be more balanced and sustainable to better weather unexpected circumstances and position the organization to expand its services to help even more patients in need.
