

No one should have to face cancer alone.

**CancerLINC helps cancer patients and their families overcome legal and financial obstacles** by connecting them to attorneys, financial advisors, and community resources.

CancerLINC services are free, and patients who meet income guidelines **receive professional services at no cost.**

“

CancerLINC gave us the help we needed when we felt like no one else was in our corner. -Bill

CancerLINC is in  
your corner.
