**ANGELA FLETCHER**

HCA SARAH CANNON CANCER INSTITUTE

Angela Fletcher has been **working in healthcare for 30+ years**, supporting physicians so that they can take great care of patients.

She **grew up in Minnesota** and worked at Mayo Clinic Rochester for 20+ years and held several leadership roles. Since leaving MN, she and her family have lived in NC, SC, and now Richmond, which they love!

**“Leading the HCA / Sarah Cannon Cancer Program for the Capital Division is a privilege. Bringing together great teams, research, and innovation to deliver care to our high-risk and cancer patients is a passion and a pleasure. I am honored to serve.”**

CANCERLINC COMMUNITY

**“I support CancerLINC  
because of the wonderful  
services they provide to  
cancer patients and loved  
ones during times of great  
need and vulnerability.”**
