BETH BREW

BON SECOURS RICHMOND HEALTH SYSTEM

Beth Brew has been fortunate to dedicate her 38-year career to Oncology, where she has provided care for patients, tackled challenges for staff, and pioneered novel programs for those impacted by cancer.

She emphasizes the impact on entire families when a loved one faces a cancer diagnosis, asserting that while not all patients may be cured, **healing is possible for all.**

Her personal values of **integrity, human dignity, compassion, and service** are in harmony with those of Bon Secours.

CANCERLINC COMMUNITY

**“I support CancerLINC
because I witness
firsthand the profound
impact the staff and
volunteers have on our
patients with cancer and
their families.”**
