January is Cervical Cancer Awareness Month

CancerLINC is proud to share that in the last six months, we've provided critical support to over 50 individuals diagnosed with cervical cancer.

Regular wellness exams are essential for maintaining good health and catching potential issues early. These annual visits help you and your healthcare provider identify risks and address concerns before they

become serious. Encourage the women in your life to prioritize their health by scheduling their yearly exams—and lead by example by scheduling yours, too!

Together, we can raise awareness, support those impacted, and continue making a difference in our community.

Fundraising Events

Join us in February for two exciting fundraising events where a portion of the proceeds will be donated to CancerLINC. These events are a wonderful opportunity to enjoy great food while supporting our mission.

Spreading Holiday Cheer and Support: CancerLINC's Mission in Action

CancerLINC connects cancer patients and their families with vital legal, financial, and community resources across greater Richmond and the Northern Neck, ensuring no one faces cancer alone.

This holiday season, Chesapeake Academy raised \$1,000 to provide gifts for children impacted by cancer, boosted by \$750 from an anonymous donor and \$1,500 from Bragg and Company Real Estate, bringing joy to families during a tough time.

As we expand in the Northern Neck, we're grateful for the community's support in breaking down non-medical barriers for those affected by cancer. Thank you for joining our mission! Follow us on social media for updates.
